- Build a tendency towards continuous medical education

### Course content:

	8 am : 11 am	11 am : 4 pm
Sat.	Lecture	Demonstrations (video, life surgery)
Sun.	Lecture	Hands on micro dissection
Mon.	Lecture	Demonstrations
Tue.	Lecture	Hands on micro anastomosis end to end
Wed.	8 am : 4 pm hands-on	
Thu.	8 am : 2 pm revision	

### Invited faculty:

#### Prof. Sobhy Hiwidi

Head of plastic surgery department  
Director of hand & reconstructive microsurgery center  
Zagazig University

### Tuition fees:

#### Physician Fee:

- Egyptian: 2000 E.P
- Non Egyptian: 2000 \$

#### Residents and surgery fellows:

- Egyptian: 1500 E.P
- Non Egyptian: 1500\$

Fees include all scientific activities:

Coffee breaks & snacks available all of the time of the course

# 6<sup>th</sup> MERC Basic Microsurgery Course

A hand-on Course on  
Micro-Dissection and Micro-Anastomosis  
Techniques on Animal Laboratory

**9-14 March 2013**

Deadline of Registration: 2 March 2013

Prof. Mohammed Safwat  
Course Supervisor

Prof. Mohammed Kassem  
Course Coordinator

Prof. Mohammed Sobh  
MERC Director
