

Title of protocol	Department	Candidate name	Code no	Type
correlation between the exposure to different multimedia programs and early presentation of autism spectrum disorder and attention deficit hyperactivity disorder.	pediatric	ebtsam mohammad abd elfatah abd elrahman shalaby	15.10.01	MS
correlation between the exposure to different multimedia programs and early presentation of autism spectrum disorder and attention deficit hyperactivity disorder.	phoniatics department	afaf hamdy mahmoud khalil	15.10.02	MS
endotracheal tube biofilm and its relation to ventilator associated pneumonia in neonatal intensive care unit	medical microbiology and immunology department	sara el sayed mohamed el naggar	15.10.03	MS
hepasphere transarterial chemoembolization of hepatocellular carcinoma	radio-diagnosis & interventional radiology	muhammad m. bashir elsayed	15.10.04	MS
iron bisglycinate chelate versus ferrous fumarate in treatment of iron deficiency anaemia in pregnant women: a randomized controlled trial.	obstetrics and gynecology	ahmed mohamed ismail ali	15.10.05	MS
association between depression and pain clinical and psychometric study	psychaitry	samar zein el abedeen hosny	15.10.06	MS
holmium (ho:yag) laser en bloc resection of bladder tumor (holerbt) versus conventional transurethral resection of bladder tumors (cturbt): evaluation of efficacy and complication. a prospective randomized controlled trial	urology	abdelwahab elsayed-raafat hashem	15.10.07	MD

the effectiveness of platelet rich plasma in treatment of chronic plantar fasciitis.	, rheumatology and rehabilitation	hanan el-mowafy ali el-mowafy	15.10.08	MS
ultra-sound guided superficial cervical plexus block using magnesium sulphate as an adjuvant to bupivacine	anesthesia and surgical intensive care department	karim ali awad ali	15.10.09	MS
combined fractional co2 laser therapy with autologous prp for atrophic post acne scars management: clinical study	dermatology, andrology&stds	aya essam eldin sadek elgayar	15.10.10	MS
serum and peritoneal fluid levels of chemerin, copper, and ceruloplasmin, and oxidative stress index in endometriosis, in mansoura, egypt	obstetrics & gynaecology	ashraf a. foda	15.10.11	R
is glucocorticoid administration of value in induced labor by vaginal misoprostol for intrauterine fetal death?	obstetrics & gynaecology	ashraf a. foda	15.10.12	R
are maternal & neonatal selenium levels of value in preeclamptic cases in mansoura, egypt?	obstetrics & gynaecology	ashraf a. foda	15.10.13	R
role of malleus relocation in cholesteatoma surgery	ent	bassem ashraf wahbna	15.10.14	R
evaluation of cardiac function in hypocalcemic infants(first 2 years of life)using speckle tracking echocardiografy	pediatric	shaimaa abdelmageed mohamed aboelata	15.10.15	MS
stellate ganglionic block versus compined stellate ganglionic block and pecs block in treatment of pmps	anaesthesia department	dr.reemabdelraouf el sharkawy .	15.10.16	R

bariatric surgery: role of imaging in post operative assessment and detection of complications	diagnostic radiology	mohamed mohamed salah el-din el-refay	15.10.17	MS
impact of scalp nerve block on analgesia and operative bleeding during scalp tissue expander surgery	anaesthesia	maha ahmed abo-zeidsalim	15.10.18	R
ablative fractional CO ₂ laser therapy versus carboxytherapy in treatment of abdominal striae distensae	dermatology	ayman osama elbaz	15.10.19	MS
assessment of bone age and thyroid function in skeletal dysplasia patients	pediatric	asmaa mohammad reda al-attar	15.10.20	MS
role of magnetic resonance imaging in assessment of cardiac involvement in systemic lupus erythematosus patients	diagnostic and interventional radiology	amelhelmy mohammed almorsyshousha	15.10.21	MS
maternal and neonatal factors affecting the formation of hematopoietic stem cell colony forming units from umbilical cord blood	clinical pathology	mohamed saleh ismaeil saleh	15.10.22	MS
assessment of glycemic control in outpatient clinic with type 2 diabetes mellitus and its relation to hba1c and quality of life	internal medicine	amira mohammed mohammed el saadany	15.10.23	MS
microscopic structural alterations and p53 immune-expression in adult rat testis in response to intra-tunical versus intra-parenchymal injection of methylene blue	histology	dr shireen a. mazroa	15.10.24	R
role of diffusion weighted magnetic resonance imaging in diagnosis of pediatric abdominal masses	diagnostic radiology	abdullah mahmoud abdullah muhammad	15.10.25	MS

conventional and diffusion weighted mri in uterine lesions	diagnostic radiology	elham omar mostafa mansour	15.10.26	MS
spirometry using facemask versus conventional tube in patients with neuromuscular diseases	chest medicine	taha taha abdelgawad	15.10.27	R
prevalence and characteristics of fibromyalgia among the egyptians with chronic hepatitis c virus infection.	rheumatology and rehabilitation	dina wahba elzulaky	15.10.28	MS
serum vitamin d in lupus nephritis	rheumatology and rehabilitation	basma adel nabeeh mohamed	15.10.29	MS
role of soluble cd22 in rheumatoid arthritis relation to disease activity	clinical pathology	ghada mostafa shafick	15.10.30	MS
correlation between dermoscopic and histopathologic finding of lichen planus	dermatology	hala samir tawfek	15.10.31	MS
diagnostic contribution of 3d/4d ultrasonography to 2d in assessment of fetal cerebral anomalies	diagnostic department of radiology	nessma mohammed aly zein el-abedein gomaa	15.10.32	MS
toll-like receptor4gene polymorphism in colorectal carcinoma	clinical pathology	reham mohamed alaa el-din hassona	15.10.33	MS
intravitreal injection of ranibizumab versus triamcinolone in diabetic macular oedema	ophthalmology	shereen ahmad abdallahesmail	15.10.34	MD
evaluation of visfatin as a biomarker in rheumatoid arthritis and its correlation with the disease activity	clinical pathology	al-shaimaa mohammed mohammed el-naggar	15.10.35	MS
evaluation of apparent life threatening events in infants presenting to emergency department of mansoura university	pediatrics	shaimaagamal othman	15.10.36	MS

children hospital.				
transcatheter embolo-sclerotgerapy of high flow rteriovenous malformations	vascular surgery	khaled hassan mousa	15.10.37	MD
detection of bacterial dna in the peripheral blood of psoriatic patients	walaa mostafa taha dweidar	dermatology, andrology&stds	15.10.38	MS
predictors of early re-bleeding in patients with first attack of gastric variceal haemorrhage .	in internal medicine	amany mohammed mahmoud ibrahim	15.10.39	MS
intra- articular versus intravenous administration of dexmetedomidine in arthroscopic knee surgies : a prospective randomized study	anesthesia and intensive care	reemabd e l raouf el sharkawy	15.10.40	R
Heated, Humidified, High-flow Nasal Cannula to prevent Extubation failure in Preterm Infants: A Randomized Controlled Trial	pediatrics	Amira Ali Bedair Othman	15.10.41	MS
Clinical, radiological and surgical evaluation of cases with muscle invasive bladder cancer after neoadjuvant chemotherapy	General surgery	Khalid Atallah Ahmed Mohamed Shaaban	15.10.42	MS
transthoracic ultrasound as an alternative to respiratory pressures in assessing respiratory muscles strength in patients with neuromuscular diseases	chest	dina abouelkheir abdalla	15.10.43	R1
effect of sodium bicarbonate 8.4% on bronchial carcinoma	chest	mohammad khairy el badrawy	15.10.44	R

assessment of quality of life in patients with diabetic peripheral neuropathy	internal medicine	sally sameh ahmed mohammad	15.10.45	MS
the outcome of endometrial perfusion with granulocyte colony-stimulating factor in patients with recurrent implantation failure after intracytoplasmic sperm injection cycles	obstetrics and gynecology	mohammed elsayed abdel aziz taman	15.10.46	MD
perioperative systemic lidocaine for enhanced bowel recovery after laparoscopic bariatric surgery: a dose dependent study.	anaesthesia	samah elkenany gouda	15.10.47	R
the emerging role of cardiac magnetic resonance imaging in diagnosis and management of cardiomyopathy	radiodagnosis	dina el-metwally mansour	15.10.48	MD
dermoscopy in the diagnosis of basal cell carcinoma	dermatology, andrology & stds	maha abd el-aty awad el-desouky	15.10.49	MS
study of airways hyperresponsiveness in pulmonary tuberculous patients	chest	Noha moussa el shourbagy	15.10.50	MS
mansoura university pediatric intensive care unit: characteristics of admitted patients, complications and outcome	pediatrics	mohammed farag mohamed ebrahim	15.10.51	MS
predictive factors for excess weight loss after sleeve gastrectomy(sg).an observational follow-up study.	general surgery	hosam ahmed fouad halim	15.10.52	R
laparoscopic ventral mesh rectopexy versus delorme's procedure in treatment of complete rectal prolapse	general surgery	sameh hany emile	15.10.53	R1
treatment of pilonidal sinus disease using surgiflo [®] as a sealant: a new conc	general surgery	sameh hany emile	15.10.54	R2

does lower tidal volume with low peep improve pulmonary outcome after major abdominal surgeries?	anesthesia and surgical intensive care	fatma mf. lahloub	15.10.55	R
sleep disordered breathing in chronic compensated heart failure	chest	aya mohammad osman el-hadidy	15.10.56	MD
relation between blood lead and cadmium levels and chronic kidney disease	forensic medicine and clinical toxicology	amira emam ahmed naeem nabih helmy	15.10.57	MS
digital facilitation of nasogastric tube insertion in anesthised patients, a prospective randomized study	anesthesia and surgical intensive care	alrefaey kandeel alawadey	15.10.58	R
MCT1 polymorphism among Egyptian children and adolescents as a useful predictor for physical fitness and muscle fatigue.	pediatric	Yahya Mohammad Mokhtar Wahba	15.10.59	R
