- Internal medicine course for the **third year dental students** (Teaching and student evaluation ,2007).
- Internal medicine course for **second year nursing students** (Teaching and student evaluation,2006).
- Internal medicine course for first part **M Sc clinical pharmacology** (2008-2009)
- Summer course of internal medicine (diabetes and endocrinology) **for the pharmacy students** , College of pharmacy, Mansoura university (July 2009).
- Coordinator of doctorate degree of Endocrinology,Diabetes, cLinical nutrition and metabolism (2016).
- Supervision of theses for M Sc and MD(doctorate degree) of internal medicine.
- Consultant of internal medicine at the endocrinology and diabetes unit , at the Specialized Medical Hospital, Mansoura university .
- Supervisor of the obesity clinic and the endocrinology clinic at the Specialized

Medical Hospital , Mansoura university (2006-present).

## Training courses and Workshops :

- An intensive course for reviewers in Quality Assurance and Accreditation organized by NAQAAE at the quality assurance unit of Mansoura University, 2013:
  - **Internal auditing for higher education institutions** (30/1- 1/12 /2013).
  - **Program specifications and curriculum maps** for higher education institutions (2-3/12/2013).
  - **External evaluations** for higher education institutions (4-5/12/2013).
- Diploma of health profession education (DHPE), SCU , Registered (ongoing study).
- Courses in health profession education ( updates in student assessment) including registration for DHPE program.
- **Student assessment in medical education** workshop, by Medical Education department , SCU, Egypt,(4-1-2011).
- A training course on **OSCE exams** for evaluation of medical students, conducted by **Manchester Medical School staff** (Dr Nicky Barr and Dr Simon Cocksedge) at the college of medicine ,Mansoura university, (27-28/1/2010).
- A training course about new trends in **MCQs and EMQs exams** for evaluation of medical students conducted by **Manchester Medical school (UK)** staff ( Dr Jedd Bern and Andria Owen) at the college of medicine ,Mansoura university,(14- 16 /12/2009).
- A training course about the **Manchester program for medical education and OSCE exams** for evaluation of medical students conducted by **Manchester medical school staff** ( Dr Chriss Harrison ) at the college of Medicine ,Mansoura university, ( 16-19/2/2009).
- A workshop about teaching skills, at the quality assurance and accreditation unit, Faculty of medicine ,Mansoura University (8,9/ 8/ 2010)
- A workshop about the role of course specification and program specification in accreditation, at the quality assurance and accreditation unit , Faculty of Medicine , Mansoura University. (September ,2009).
- A workshop about different evaluation methods for fulfilling intended learning outcomes (ILOs) for undergraduate education, at the Faculty of medicine , Mansoura university. Conducted by Prof Roshdy Toema , Prof Of Education methods , Mansoura University. (March, 2009).
- A workshop about the strategic planning of the college of Medicine , at the quality assurance and accreditation unit , Faculty of medicine ,Mansoura university ( February ,2009).
- The eleventh nephrology intensive workshop at the urology and nephrology center , Mansoura university(10/1/2008).
- **TOT** workshop at the Quality assurance and accreditation unit, faculty of medicine, Mansoura University (26/5/2008).
- The Training of Teachers (**TOT**) of **Evidence Based Medicine International Workshop**, at MEDC center ,Cairo University, conducted by Paul Glasiou ,head of oxford center for EBM , in collaboration with EBM group , Kasr Eleiny ( 10/4/ 2006).
- FLDP workshops : University and society (2004), Time and stree management (2004), Administrative skills (2004), decision making and problem solving (2004),

- medical profession ethics (2004), legal aspects and university (2007), Effective management of meetings (2007), Crisis management (2007).
- **YNSA** : a scalp acupuncture modality workshop conducted by Prof T Yamamoto at National Research center (NRC),Cairo ( December 2006).
  - The German- Egyptian workshop on Trigger point injection in chronic pain by Dr Irnique Dominik at NRC, Cairo .( 5/12/2007).
  - **Second Evidence based medical practice (EBM) workshop** at King Faisal Specialist Hospital (KFSH) , Riyadh, SA (7-8/4/2004).
  - Echocardiography and Doppler training in the Echo lab at UMDNJ , New Jersey, USA (from 9/1996 to 4/ 1997).
  - An echocardiography workshop at the 13<sup>th</sup> scientific session of the Saudi Heart Association at Riyadh , Saudi Arabia (22-24/1/2002).
  - Acupuncture training course at National Research Center in collaboration with **Shandong Academy of Chinese Medicine** ( 23-31 /3/2008).
  - Training course in **acupuncture** at the alternative medicine unit – Zagazig university ( twice weekly, from 12 /2005 to 2/2006).
  - A training course on **classical homeopathy** at the National nutrition institute (NNI), Cairo, conducted by the MSH.
  - **Advanced life support (ALS )** course of the European resuscitation council, conducted by the Egyptian resuscitation council members, at the pediatric convention center , Mansoura University (17-19 /8/2005).
  - The training program of research projects and computer applications, Mansoura faculty of medicine (from 3/5 to 12/6 /2004).
  - A training course in Basics of Mechanical ventilation in the respiratory ICU , Mansoura university (12-14/9/2006) .
  - Training course in **Echocardiography** at Ultrasonic unit, Cairo university (from 1/1 to 31/3/1988).

## Scientific conferences, seminars and other activities:

- Annual conference of Mansoura Faculty of medicine titled ”**new trends in accreditation of medical schools**” -16/11/2016.
- The environmental week of Mansoura Faculty of Medicine (1-5 /3/2015, Presenting a lecture, sharing in organization and attendance).
- The 35<sup>th</sup> conference of european society of parenteral and eneral nutrition (**ESPEN**), **Liepzig, Germany** (attendance of conference and workshop about nutrition in obesity and presenting a poster).
- The annual conference of internal medicine department– Specialized Medical Hospital , Mansoura university - Mansoura - Egypt (attendance, participation . lecture presentation and scientific committee membership).
- **المؤتمر السنوي السابع للاعجاز العلمي في القرآن والسنة (7-8-4-2013) : القاء محاضرة بعنوان: البصيرة.**
- The 10<sup>th</sup> annual conference of diabetes, gut and liver, at Cairo Egypt (18-19 /9 /2013), Single topic conference : Managing diabetes and liver disease association guidelines (consensus) development (presenting a lecture, attending ,contributing to guidelines’ development).
- The coordinator and organizer of first annual conference for house officers in Mansoura faculty of medicine in collaboration with Dakahlia Medical Syndicate , 2012.
- The annual scientific conference of the rheumatology and immunology unit – Internal Medicine Dep.- Mansoura - Egypt (Presenting lectures and chair of scientific sessions).
- The annual scientific conference of the Mansoura diabetes and endocrinology patients' friends society in collaboration with the internal medicine department , Faculty of medicine, Mansoura University (organizing and scientific committee membership,

lectures presentations).

- Updates in diabetes, obesity & diabetic foot CME seminar (presenting a lecture about evidence based guidelines in management of obesity , May 2011, Mansoura Faculty of medicine.
- Annual Eglylar congress on autoimmunity, SLE, scleroderma, dermatomyositis, polyarteritis nodosa. At Ain Shams University , Arab Association for CME and immunology unit , Ain Shams university (Attendance and presenting a lecture, (19-21/11/2008 ).
- The annual scientific conference of the Mansoura Faculty of medicine.
- The annual conference of the Egyptian association for the study of obesity.
- The annual scientific conference of th Egyptian society of cardiology .
- The annual scientific conferences of clinical pathology, dermatology , oncology, cardiology, psychiatry and chest departments of the Mansoura Faculty of medicine.
- The first Pan Arab congress of evidence based medicine, Riyadh, Saudi Arabia, 2005.
- The second Pan Arab congress of evidence based medicine – Cairo –Egypt. The medical education development center in collaboration with the Arab Federation of EBM ( Attendance , TOT workshop , 11-12/4/2006).
- The annual conference of endocrinology and diabetes unit- Zagazig Endocrinology unit, Internal medicine department, Zagazig university (25/5/2005).
- The first annual conference of endocrinology and diabetes unit Mansoura - Endocrinology and diabetes unit , internal medicine department, Mansoura university ( Presentation of lecture and participation in organization, from 7-8/10/2004).
- The monthly seminar of the internal medicine department, specialized medical hospital, Mansoura university (participation in organization, presentation and discussion) .
- The monthly seminar of the nephrology unit (Mansoura nephrology club).
- The weekly seminars of the endocrinology, gastroenterology, rheumatology and immunology units of internal medicine department (participation in organization, presentation and discussion).
