Neovascularization from Basic Science to Clinical Applications

Mansoura Faculty of Medicine
10 April, 2012
Dear Colleagues,

On behalf of members of Physiology Department, Mansoura Faculty of Medicine, I have the pleasure and honor to invite you to actively participate in the 6th conference of physiology department entitled "Neovascularization from Basic Science to Clinical Applications" which will be conducted in Mansoura Faculty of Medicine at 10 April, 2012.

The scientific program of conference will be rich and include updated subjects in the concept of neovascularization. Interesting lectures by physiologists, nephrologists, hematologists, cardiologists and ophthalmologists as well as poster presentation session for accepted abstracts in the field of physiology will be conducted there.

Dear my professors and colleagues, we are looking forward to sharing this conference with you in Mansoura.

Conference President
Hanaa Ahmed Abdelmoneim
Head of Physiology Department,
Mansoura Faculty of Medicine
Scientific Program

Registration : 9.00 - 9.30 am

Opening : 9.30 - 10.00 am

1st scientific session : 10.00 - 11.30 am

a. Basics Mechanisms of Neovascularization by Dr/ Abdelaziz Hussein
b. Endothelial progenitor stem cells by Prof. Dr/ Soheir Helmy
c. Neovascularization and kidney disease by Prof. Dr/ Mohamed Sobh

Galaxo Talk : 11.30 - 11.45 am

2nd scientific session : 11.45 - 1.45 am

a. Cardiac Conditioning by Prof. Dr/ Sherif Sakar
b. Neovascularization and Eye Disease by Prof. Dr/ Mohamed Abdullah
c. Angiogenesis and Bone Marrow Diseases by Prof. Dr/ Emad Azzmy

Poster Session : 1.45 - 3.00 am

Lunch : 3.00 am
Organizing Committee:

Head: Prof. Dr. Hanaa El-Serougy
General Secretary: Prof. Dr. Soheir Helmy

Dr. Nisreen Mansour
Dr. Abdelaziz Hussein
Dr. Khalid Ibrahim

Topics of Conferences:
1. Cardiovascular Physiology
2. Renal Physiology
3. Blood Physiology
4. Eye Physiology
5. Miscellaneous Topics

Deadline for Abstract Submission: 1st April, 2012
Submission Fees: 50 LE

Contact: Dr. Nisreen Mansour 01003560448 nesrinomar@hotmail.com
